COLLÈGE CANADIEN DES LEADERS EN SANTÉ

#CCHLeaders

For over two decades, the College has celebrated leadership and recognized success of individuals, teams and organizations who have demonstrated leadership qualities, commitment, integrity and development of leading practices across the health industry.

“The individuals and organizations being recognized exemplify leadership at its finest. Our award recipients demonstrate the impact that one person, or one team, can have within their organization and beyond. These recipients are indeed the pride of our profession.” said Ray Racette, CHE, President and CEO of the Canadian College of Health Leaders. “We are truly honored to recognize the outstanding accomplishments of our 2017 National Award Program recipients.”

The Canadian College of Health Leaders is a national, member-driven, not-for-profit association dedicated to ensuring that the country's health system benefits from capable, competent and effective leadership. Through credentialing, training, networking and mentoring, we support health leaders in every sector and region, from every professional background and at any stage of their career. Guided by a code of ethics and the LEADS in a Caring Environment national framework, we help individuals acquire the skills they need to create change in their own organizations and, ultimately, the health system.
